Flat Wall Mount

For 32" to 75" TVs

Ready to save time, money and stress? Check out the EquaMount™ Universal Flat Wall Mount. The EFX6X4 holds 32"- 75" TVs weighing up to 99lb and is delivered right to your door with all the necessary wall and TV attachment hardware included. It's a simple, one-person installation and, bonus, the mount's open wall plate allows for total wall access and increases electrical and cable management options so you don't have to worry about those messy cables. After you've installed the TV, sit back and relax. Or, if you want to change it up this mount offers side-to-side TV adjustment so you always have the perfect view. What more could you ask for?
